Date: _____

This form reflects the most often requested approval types. If you do not see a category that matches the nature of your request, please use the "Other Feature" section for your request.

Roofing

Brand: _____ Material: _____ Color: _____ Style: _____

Exterior Color

Brand: _____ Color # and Name: _____

(A color sample is required with this application)

Fencing

Location: _____ Type: _____ Material: _____ Color: _____

(A lot layout showing the location of proposed fencing along with a diagram of the fencing type is required with this application)

Shed

Location: _____ Type: _____ Material: _____ Color: _____

Size: _____ Roof Type: _____ Height at Eaves: _____ Pitch: _____

(Shed materials and color must be the same as the body of the home. A lot layout showing the location of the proposed shed along with a picture of the shed type is required with this application. Depending upon the height and placement, you may be requested to notify neighbors affected by the proposed installation for their approval. Please Note: Many municipalities require building permits for the installation of sheds. Please check with your local building department to ensure your product meets the city codes, and that your placement is not on any existing easements.)

Play Equipment/Swing Sets

Location: _____ Material: _____ Color: _____ Canopy Color: _____

Size: _____ Height: _____

(A lot layout showing the location of the proposed play equipment along with a picture of the product is required with this application. Depending upon the height and placement, you may be requested to notify neighbors affected by the proposed installation for their approval.)

Homeowner Signature: _____

Architectural Review Committee Decision:

Approved Conditional Approval Denied

ARC requirements or comments on application (if any): _____

Architectural Control Committee Member Signature: _____ Date: _____

As-Built Inspection Approval: _____ Date: _____

Important Note: Approval by the Architectural Control Committee does not constitute approval by local governing agencies. It is the sole responsibility of the applicant to determine and comply with all governmental regulations, statutes, codes and zoning requirements. It is the responsibility of the applicant to secure any and all permits, inspections, authorization, and/or permission from government agencies prior to work commencement. It is the applicant's sole responsibility to ensure that any work commencing is within the property limits and meets all building setback and easement restrictions.

It is the applicant's responsibility to protect all elements inside the Association easements, and to return any area disturbed by the installation of a modification to the same standards as previously existed. Upon completion of the improvement, the Association shall review and determine that the installation is in compliance with the approval provided. If the improvements are deemed incomplete or further work is necessitated, applicant shall be provided with a deadline for the completion of the work. If the improvements are not completed to the satisfaction of the Association within the timelines provided, the Association may impose penalties until completion occurs.
